NOTE FOR: Executive Assistant to the Executive Director  
Executive Officer to the Director, IC Staff

FROM : Special Assistant to the Deputy Director

This note passes on to you some information from the DDCI which may help your principals in answering the letter to the DCI from Judge Clark on the subject of: Collection Against International Terrorism (ER 82-2446).

The DDCI's reaction to Judge Clark's letter and the tasking by Executive Secretary was that we need to point out in our response what the DCI has done over the past year precisely to accomplish this task--i.e., the task identified in paragraph 1 of Judge Clarke's letter.

If there is anything I can do to assist you, please let me know.
